Williams Production Co.

P.O. Box 370
Parachute, CO 81635
(970) 285-9377
www.williams.com

Williams is one of the largest natural gas producers in the United States, with operations in the Rocky Mountains and other prolific production areas. Williams' reserves portfolio totals approximately 2.4 trillion cubic feet and daily average net production delivers approximately 940 million cubic feet per day from the Piceance, San Juan, Powder River and Arkoma basins. In the Piceance Basin in Garfield County, Williams operates more than 1500 wells producing some 500 million cubic feet of natural gas per day, the equivalent of supplying energy to approximately 2.1 million homes on a daily basis.

Xcel Energy

2538 Blichmann Avenue
Grand Junction, CO 81505
(970) 244-2682

www.xcelenergy.com

Xcel Energy is the fourth-largest combination electricity and natural gas energy company in the United States. We offer a comprehensive portfolio of energy-related products and services to 3.2 million electricity customers and 1.7 million natural gas customers. Xcel is committed to the environment and strives to carefully balance energy efficiency, emission reductions and natural resource conservation.

Chevron

744 Horizon Court, #140
Grand Jct, 81506
(970) 257-6001
www.chevron.com

Chevron is one of the largest integrated energy companies in the world. Chevron conducts business in approximately 180 countries and are engaged in every aspect of the oil and natural gas industry, including exploration and production, refining marketing and transportation, chemicals manufacturing and sales, geothermal and power generation.

Corporate Gold

 **ConocoPhillips**
743 Horizon Ct #101
Grand Jct, CO 81506
(970) 263-2451
www.conocophillips.com

ConocoPhillips uses its pioneering spirit to responsibly deliver energy to the world. This purpose transcends all of ConocoPhillips' operations. The company conducts its business to return maximum value to shareholders while utilizing a wealth of knowledge and resources from its employees and acting responsibly in all communities in which it operates.

With operations in nearly 40 countries, ConocoPhillips is committed to contributing to social, economic and environmental improvements in all the communities in which it operates. The company is currently funding numerous environmental, social, health and education programs around the world.

Noble Energy
1625 Broadway #2000
Denver, CO 80202
(303) 228-4321
www.nobleenergyinc.com

Noble Energy, Inc. is one of the nation's leading independent energy companies engaged in the exploration, development, production, and marketing of crude oil and natural gas. The Northern region includes our operations in the Rocky Mountain area as well as activities in the western Mid-continent. The Rocky Mountain area includes the DJ (Wattenberg field), San Juan, Wind River, and Piceance basins, as well as the Niobrara, Bowdoin, and Siberia Ridge fields. The acquisitions of Patina and U.S. Exploration, particularly in the Wattenberg field, combined with our legacy operations have made the Rocky Mountains one of our core operating areas.
