**00-3 AG 2**  
**Colorado Wine Sales**

**WHEREAS** the success of the Colorado Wine Industry has been an example of the positive efforts to diversify Western Colorado's economy, and

**WHEREAS** the development of numerous vineyards all over the Western Slope has created a new tourist attraction much like that of Napa Valley, California, and

**WHEREAS** grapes from these vineyards have become an important crop that diversifies our agricultural economy and protects Colorado open spaces, and

**WHEREAS** the growth of Colorado's wine industry has created friction between distributors and producers over the concept of "tasting rooms" and the right to sell Colorado wines on Sundays, and

**WHEREAS** vineyard tasting rooms sales benefit tourism.

**THEREFORE BE IT RESOLVED** that CLUB 20 opposes any future attempts to stop wine producers and grape growers from selling their products at their vineyards on Sundays.
