Rocky Mountain BEST

José M. López / Executive Director

Total Recall BUGS! Warp XX Gate-Keeper Blade Runner Pay Dirt Bet The Farm CROSS-FIRE
BEST is...

a non-profit, volunteer-based organization
whose mission is to inspire students to
pursue careers in engineering, science,
technology, and math through
participation in a sports-like,
hands-on, real-world, engineering-based
robotics competition.
BEST is ...

- BEST is not just about robotics.
- It's more about teaching students to analyze and solve problems.
- These are the students we need in our engineering programs and workforce!
How BEST Works

Students are the sole participants and primary decision-makers, designers, and builders

• Coaches guide the teams through the Engineering Design Process

Any student may participate

• BEST is an equal opportunity program

Schools participate at no cost

• Equipment and materials are provided at no cost
• Schools only fund their T-shirts and travel

The BEST process makes learning FUN!
BEST Features

BEST is very cost effective. One hub of ten teams start up cost is about $30,000. An established 32 team hub yearly sustainability is about $40,000.
Hub Competition

- **Student Teams** have six weeks to develop a strategy & design, develop, and test a robot that can outperform their competitors.
- Each team receives identical parts kit, but the resulting robots are each ingeniously unique.
- **Student teams** are guided by professional mentor and school coaches.
- Winning teams from each Hub compete at a Regional Championship.
- **BEST award** is optional competition focused on business skills.
BEST Features

Teams have six weeks to develop a game strategy, design, build and test a robot, using ONLY the materials we provide.
From two boxes with the same materials, many robots.
Game Day!

**BEST** is like a basketball game, chess match, and science fair all rolled into one day, with cheerleaders, mascots, pep bands, and wildly cheering adults and kids mixed in.
Robotics Game Competition

✓ There is always an educational theme!

- Total Recall – 6 Sigma
- BUGS! – Bug capture
- WarpXX – Space Elevator
- Gatekeeper – Computer build
- Blade Runner – Renewable Energy Windmill
- Pay Dirt – Mining and Economics
- Bet the Farm – 2016 Game
- Crossfire – 2017 Game
Robotics Game Competition

✓ Game design & Rules from BEST Robotics Inc. (BRI)
✓ Scoring & Controlling software from BRI

Total Recall 2010
Robotics Game Competition

✓ Four competition quadrants in 4 colors (red, blue, yellow, green)
Robotics Game Competition

✓ Scoring based on grabbing items and placing them in designated areas.

Warp XX 2012
Robotics Game Competition

✓ Designated areas for robot driver & spotter
Robotics Game Competition

✓ Three minute competition rounds
Robotics Game Competition
✓ Seeding round, followed by semi-finals and finals matches.

Bet the Farm 2016
Robotics Game Competition

Crossfire 2017
First
BEST ROBOTICS
DENVER BEST
REGIONAL CHAMPIONSHIP
METROPOLITAN STATE UNIVERSITY OF DENVER
BEST Growth

1993:
• Created by two Texas Instrument engineers
• 221 students from 14 schools competed in 1 hub competition in Texas

2017:
• More than 15,000 students from 850 schools competed in 44 hubs in 16 states
Colorado Hubs in 2017:
- Rocky Mountain BEST in Denver Metro
- Front Range BEST in Denver Metro
- SoCo BEST @Trinidad State Jr College
- Golden Plains BEST in Julesburg
- Pikes Peak BEST in Colorado Springs

BEST Hubs & Regionals

North Dakota State University
Fargo, ND
Northern Plains Regional Championship
7 HUBS (ND(2), OH, SD, MN, PA(2))

University of Texas - Dallas
Dallas, TX
Texas BEST Regional Championship
15 HUBS (TX(14), NM)

University of Arkansas
Ft Smith, AK
Frontier Trails Regional Championship
8 HUBS (CO(3), OK, AR (3))

Auburn University
Auburn, GA
South BEST Regional Championship
7 HUBS (AL (11), FL, GA, MS, TN)

Denver Regional Championship @ MSU Denver
16-17 Dec 17
2010 to 2017

Total Participating Schools – 79
Build a robot in six weeks; inspire a youth for a lifetime.

- Teachers/Mentors Institute (TMI)  July 2018 @ MSU Denver
- Kick Off – Saturday, 2018
- Practice Day is Saturday (one week before game day), 2018
- Game Day competition will be held on Saturday, October 2018
- 2nd Denver regional Championship @ MSU Denver
