

"Voice of the Western Slope"

2019 Club 20 Sponsor Opportunities

Your support as a sponsor of Club 20 events is vital to our success in shaping the future of Western Colorado. Additionally, it provides you with the opportunity to market to a broad range of individuals including Club 20 members, the general public, and elected/appointed officials at the local, state, and federal levels. Event sponsors will receive recognition on marketing materials during events. Other benefits apply based on level of investment.

About Club 20 events...

2019 Denver Joint Legislative Trip, January 24th & 25th

This two-day event, hosted by Club 20, Action 22 & Progressive 15, enables members from these three associations in Colorado, representing 59 of Colorado's 64 counties, to meet with state elected and appointed officials to discuss current issues affecting the Western Slope and beyond. On the evening of the 2nd, there will be a networking reception (location still to be determined) for our members, state legislators and officials, members and guests. This event serves as a great kick-off to an exciting year!

2019 Policy Committee Meetings, Feb. 28th & March 1st & March 14th & 15th

Club 20's efforts are directed by the efforts of our 9 Policy Committees: Agriculture, Business Affairs (Education & Workforce Development is now a sub-committee of Business Affairs), Energy, Health Care, Public Lands & Natural Resources, Telecommunications, Tourism, Transportation and Water. During policy committee meetings, members will learn about timely matters as well as engage in discussions regarding proposed policy action. Agendas for specific meetings will be available online as we near the meeting dates.

2019 Spring Conference, April 12th & 13th

Club 20's Spring Conference enables members to engage with local, state and federal elected and appointed officials for two days of events. On the first day, the Executive Committee and Board of Directors attend to organizational business including the review of new, current and outdated resolutions as put forth by the Policy Committees. On Friday evening, we will host the Awards Reception and Banquet to honor members and friends for their service to Club 20. On day two of the conference, we will invite speakers to present on a variety of key issues impacting our region.

2019 Washington DC Legislative Trip, May 21st – 23rd

Club 20's bi-annual D.C. Trip is one of the organization's most anticipated events. Participants will have the opportunity to engage face-to-face with our national elected and appointed leaders including: Members of our congressional delegation, appointed agency officials, and key legislators chairing congressional committees of high importance to Western Colorado. We will host a networking reception on the evening of the 21st and a Washington Views Dinner Cruise on the Potomac River on the evening of the 22nd. Throughout the visit, we will have opportunities to visit/tour some of the best sites our nation's capitol has to offer!

2019 Fall Conference, September 20th & 21st

Club 20's Fall Conference enables the Executive Committee and Board of Directors the opportunity to meet and discuss important CLUB 20 business. A steak fry and networking opportunity will take place on Friday evening. The Steak Fry is one of our most well attended events and should not be missed! Day two of our conference will focus on key issues impacting Western Colorado with presentations and discussions from elected officials, business executives, and state thought leaders.

We are looking for new and unique ways to ensure the "Voice of the Western Slope" is heard at the local, state, and federal levels and would like to introduce new sponsor opportunities throughout the year. If you have a great idea about how you would like to get involved, please let us know.
