Benefits of Membership

CLUB 20 is part of the largest most influential political group in Western Colorado. This is what you can expect to get as a member of CLUB 20;

- Receive up-to-date information on key issues affecting Western Colorado, in the form of monthly e-mail updates/newsletter.
- Participating in [policy committees](#) that guide local and state elected leaders on the Western Slope through annual trips to Denver and bi-annual trips to Washington, D.C.
- Voting at County Caucus meetings to decide who will represent you on CLUB 20 Board of Directors every two years.
- Being eligible to vote at all CLUB 20 policy committee meetings.
- Having problems solved or questions answered, as a courtesy of the CLUB 20 staff.
- Networking opportunities with a diverse group of individuals, elected officials and business folks from all across Colorado.

Our members are the ones who keep the lights on and those of you that are involved in the policy committees are the ones who drive the bus. If you get the opportunity in the next 24 hours, thank a sponsor or welcome that new member. Take time to offer thanks to our CLUB 20 staff and if you want to have the opportunity to network with others of like mind, I would encourage you to attend the reception this evening.

I would like to leave you with these thoughts;

"Alone we can do so little; together we can do so much." - *Helen Keller*

"People really don't care how much you know until they know how much you care"

Thank You –
